The Texas Department of Insurance is considering rules to implement statutory changes made by SB 784, 84th Legislature, Regular Session (2015). TDI has prepared a working draft of repeals and amendments to rules to update sections of Chapters 5 and 19, and seeks public input on the working draft. To review the working draft, please click on the link at the bottom of this meeting notice.

The working draft eliminates the

- requirement for data collection on closed claims and the compilation of that report; and
- utilization review agents' summary reports of all complaints, adverse determinations, and appeals of adverse determinations.

TDI has scheduled a stakeholder meeting 2 p.m. until 4 p.m. on Thursday, October 1, 2015, in Room 102 of the William P. Hobby Jr. State Office Building, 333 Guadalupe Street, Austin, Texas 78701, to discuss the working drafts.

Members of the public and interested stakeholders who are unable to attend in person may participate by teleconference, but telephone participants will be limited to 200 callers. To participate, call 844-294-5050 and use Access code: 416713# (Press # to enter teleconference.)
